ATHLETIC HALL OF FAME

GEORGE & DONNA MELBER

Inducted, Contributor Category, 2015

George and Donna Melber farm outside of St. Lawrence, SD and have been involved with area athletes since the 1940s. They are avid fans of Miller's athletic programs and sponsors of scholastic scholarships. They know most of the present athletes since the students read to them as first graders.

George graduated from St. Lawrence high school in 1943. His wife Nancy Johnson graduated from Miller High School in 1950; their daughter Penny Sparks is a 1971 graduate of MHS. After Nancy died in 1962, George married Donna Campbell the following year. Donna graduated from Miller in 1954 and their daughter Barbara Vargo graduated from MHS in 1983.

George played basketball while attending high school and enjoyed playing independent basketball and with a local softball team after he graduated.

They have been proud to sit in the stands to watch Miller's athletes including George's sister's families (the Schwartz's; Nissen's; and Templeton's) and to watch their West River grandsons play sports.

George and Donna particularly like track since it is an individual activity with a spot on the team for all levels of ability. This is the reason they chose to support building a new track for Miller. They give scholarships to seniors graduating from Miller High School.

For the last 17 years, the second semester of school has offered a special blessing. Principal Shawn Oligmueller invited the Melbers to spend a couple hours each Monday morning getting to know the first graders and to listen to each one read. They love the first graders and their teachers. For 12 years they hosted a field day for first graders at their farm. Every child has a story. They have been privileged to hear many stories. It has been fun!
